RE: **Holiday Charity**

One of the things that amaze me about this chapter is the warmth of our hearts when it comes to community service. For the past Holiday parties we have collected mounds of toys that have placed smiles on the faces of youth. As a chapter we have filled a member's trunk with coats that keep those, less fortunate than ourselves, warm as the winds of winter bit. Also, the piles of blue jeans that filled a corner of the Durham Millennium meeting room are still fresh in my mind. NC SGMPers, I'm asking you to WOW me once again at this year's 2006 Holiday Party and Silent Auction by reaching deep within and giving from your heart!

The 2006 Holiday Charity is "Holiday Heart." It is sponsored by Fort Bragg and its mission is to collect items for the families of our deployed soldiers. We have adopted a family that has 4 children ranging from 2-11 years of age. Below please find the information for each of these wonderful children, select what you would like to bring and join us on December 6 from 4:00 pm to 7:00 pm at Brier Creek Country Club in Raleigh, as we celebrate the Holidays and giving from our heart!

### **Boy**

Age: 11
