

February Chapter Meeting

Wednesday, Feb. 13

Sheraton Raleigh Hotel | Raleigh, NC

11:15 a.m. - 1 p.m.

Don't miss this opportunity to give your opinion about what you need or look for in a "request for proposal". This will be a hands on, interactive meeting so come prepared to share and learn. Planners will tell suppliers what they need from a proposal and suppliers will tell planners what information they need to provide the best possible bid. Once all the data is gathered, we will combine the two and present you with the "perfect RFP".

To register and for more information visit www.ncsgmp.org
Registration deadline is Monday, Feb. 4
