

Operation Kids on Guard is a **FUN & EDUCATIONAL** program for military children ages 5-18. Kids on Guard is a support system for military kids where they make friends, find battle buddies, and gain strength from other **MILITARY KIDS** that have been through a deployment.

The goal of the program is to provide positive "play" for the children in a military environment. They are in need of sports equipment at several of the Family Assistance Centers across North Carolina.

When attending the NCSGMP Holiday Party – I ask that you bring some type of sports equipment such as: soccer balls, base balls, soft balls, gloves, bats, kick balls and any other item that can be used for recreation.

We will also be accepting donations at the door for this worthy cause.

I look forward to seeing you there.
